

Dear Parent,

Thanks in advance for participating in our fall portrait fundraiser! We appreciate your help in every way. However, there may be some of you that did not have a chance to purchase a portrait package from your daughter or son's professional image. The good news is... It's not too late to order. You can order easily online by visiting <http://blantonstudio.hjclix.com> or clicking the graphic below. You will need the "preview" image insert that was sent home earlier this year to register your photo account and claim your image. (Security reasons, all images are carefully guarded.)

Once you log in you will be able to see your image larger and create your own customized portrait package. We know you will love all the cool portrait items available to you including great portraits as mugs, magnets, calendars, greeting cards, and much more at the best prices!
