

Welcome Parents to the Frost Community!

On behalf of the Robert Frost Middle School PTSA, we welcome you! We hope you will find Robert Frost to be an inviting and inclusive school and we hope you will join the PTA and get involved.

For those of you who are sending your first child to middle school, there is no better time to stay involved or become more involved in your child's school. It's true that during the "tween" years students need more independence, but they still need you to feel comfortable in their school, they still need you to meet the families of their new friends, and they still need you to know about the wonderful activities and events that occur at Frost. Regardless of what your student tells you, all of them continue to need you.

We hope to see you soon at one of these events.

If you wish to receive daily announcements as well as PTA announcements, take time now to join the PTA list serve. FutureFrostee@robertfrostpta.org Your contact information will be given to the 2012/2013 PTA Board members and you will not receive list serve announcements while your student is still in 5th grade. We also hope you and your family will join the PTA in August and find a way to contribute on the reverse of this page.

We hope you will have a wonderful three years at Frost!

Warmly,

Karen Snyder
