

September 9, 2009

Dear Parents,

The eighth grade science teacher gave a wonderful presentation to the PTSA on the ways in which Promethean boards would enhance their teaching and our students' learning. The teachers have approached the PTSA about funding the purchase of two new Promethean boards because unfortunately there is no MCPS money for this purchase.

The PTSA has decided to raise the funds, \$12,000, for the purchase and installation of two new Promethean boards for the eighth grade science team; in lieu of fundraising events, we are asking for donations that will be designated specifically for this purpose.

Checks, made out to the Frost PTSA, can either be sent to the school office in an envelope labeled "Promethean Boards" or mailed directly to our treasurer, Sonia Rickman, 2325 McCormick Drive, Rockville, MD 20850.

All donations are tax-deductible!

Thank you for all your support,

Judi Casey
PTSA President, Frost Middle School
