For the 2011-2012 program, a title is REQUIRED ("Untitled" is not a title). Each participant is required to submit an artist statement that describes what inspired him or her to create the work and how it relates to the theme. The artist statement is mandatory for all entries in all grade divisions. The statement may not exceed 250 words (1,000 characters maximum); there is no minimum length. The Student Entry Form provides a space to type the artist statement; if the statement does not fit in the space given, it must be written on a separate page and labeled in the lower right corner according to the directions given for the rules of the specific art area.

A completed and signed Consent Form(s) must be included for each individual whose recognizable image or voice appears in a Reflections entry. Individuals over the age of eighteen may sign their own Consent Form. A parent or legal guardian must sign for individuals under the age of eighteen. Below is a link to a blank copy of the Consent Form.
